Photography	<div></div>

## ABOUT ME

ENFP-T Personality

Helping others is a key passion that I have in life. I thus want to be able to use the skills I have learnt in order to reach out to others, to make their lives easier. I believe that there are always new things to learn and room for improvement in what I already know, so I'm always up for a challenge.

## EXPERIENCE

- **Fanhub, Product Research**  
AUG 2019 - SEPT 2019  
Researching on different types of ceiling fans for the company to make a selection for the next product
- **Trampoline Limited Organisation**  
MAR 2020- AUGUST 2020  
Programmed web applications for the social sector using Vue JS and coming up with UX design to bring about solutions to help the underprivileged  
<https://trampoline.org/>
